Dear Mr. MacLennan,

I want to thank you and the Union of National Defence Employees (UNDE) again for your generous donation of \$20,000 made earlier this year in support of our troops deployed to Afghanistan.

In my correspondence of 27 February 2007, I had informed you that at the time, the donation had been received during the last weeks of the Rotation 2 Fund Committee, therefore had not yet been allocated.

I hope that you will be pleased to learn that the UNDE donation has since been allocated towards the purchase of a movie projection system for the troops in Afghanistan. This initiative will greatly assist our deployed men and women in uniform to maintain high spirits and positive morale.

On behalf of the men and women of the Canadian Forces, thank you again for your concern and interest in the well-being of our deployed troops.

Sincerely,

R.J. Hillier
General

Thanks again for your
great support!
